Is your Camry Hybrid dealer

ADVANCED IS
HYBRID TECHNOLOGY.
**THOUGHTFUL IS A
GREENER TOMORROW.**

Imagine cruising down the road, while the engine relaxes. Imagine using less fuel, yet covering more distance. Imagine the faster you go, the quieter it becomes. Imagine the more you drive, the happier the world gets. That's thoughtful. And that's advanced.

The All New Camry Hybrid. Thoughtfully Advanced.

ADVANCED IS A STYLISH
NEW DESIGN.
**THOUGHTFUL IS MAKING
THE FUTURE HAPPY.**

The elegantly designed Camry Hybrid is sure to capture everyone's attention today and drive the young generation into a greener, happier world tomorrow.

LED Headlamps: With low power consumption and extremely long life, these headlamps save energy while offering exceptionally clear vision on the road.

Hybrid Exclusive Radiator Grille: With its Blue Toyota logo which stands for Hybrid vehicles, this stylish grille is distinctively different and eye catching.

Auto Folding & Reverse Linked ORVMs with Memory: These have built-in memory to store previous position and automatically adjust during reverse.

Bigger 10 Spoke Alloy Wheels: These give better handling and offer a low rolling resistance which means that you are always in control of your car.

Rear Fog Lamps: These are especially useful in conditions of poor visibility as they make the car easily noticeable for anyone approaching from the rear.

ADVANCED IS A SOUND
ABSORBING MEASURE.
**THOUGHTFUL IS A
WHISPER-QUIET DRIVE.**

Rear Armrest with Controls: This allows you to control the Power Recline Rear Seats, Power Sunshade for Rear Windshield, Audio System and Air Conditioning in the rear seat zone. It also includes a small storage space with a 12V power socket.

Power Recline Rear Seat: Adjust the recline angle as per your own convenience to get the most ergonomically comfortable position.

3 Zone Air Conditioning: This facilitates individual temperature regulation for the driver, front passenger and rear passengers, meaning perfect comfort for everyone.

Power Sunshade for Rear Windshield: Turn on these sunshades with just the push of a button and get more shade and privacy in the rear seats.

Combimeter & Hybrid System Indicator: Specially designed for hybrid cars to give a sense of superior technology and unparalleled luxury.

Hybrid Exclusive Interior Ornamentation, High Density Dash Silencer & Acoustic Windshield Glass: The Interior Ornamentation gives a highly futuristic and refined touch to the inside of the car. The High Density Dash Silencer greatly reduces the engine noise while the Acoustic Windshield Glass absorbs the high-frequency wind noise to provide complete quietness inside the car.

Easy Slide & Recline: Slide and recline switches fitted on the shoulder of front passenger seat provide enhanced convenience to rear passengers.

Front Seat Ventilation System: This allows you to control air circulation in the cushion and back support of the seat, so as to remove moisture and prevent any kind of discomfort.

Assist Grips: These ensure ease and convenience during ingress as well as egress.

Manual Sunshade for Rear Door Windows: These have been specially designed to provide shade and privacy in the rear seats.

Collapsible Headrest for Front Passenger Seat: This offers better viewing experience for the rear seat passengers, making for a highly enjoyable drive.

ADVANCED IS A POWERFUL ENGINE PERFORMANCE. **THOUGHTFUL IS LESSER FUEL CONSUMPTION.**

Combination of Petrol & Electric: The car combines a newly developed hybrid exclusive 2.5 L Beltless Petrol Engine with an Electric Motor to give a total system power output of 205 PS.

Best Mileage: With a mileage of 19.16 kmpl* it has one of the best mileage in its segment.

*As certified by Test Agency under rule 115 of CMVR, 1989 under standard test conditions. Actual mileage on road may vary.

Less CO₂ Emissions: The car produces just 122.8 gm of CO₂ emissions per km of driving, which is far lesser than conventional vehicles.

E-CVT: Camry Hybrid comes with E-CVT (Electronically Controlled Continuous Variable Transmission) which provides enhanced driving performance with reduced fuel consumption & lower NVH.

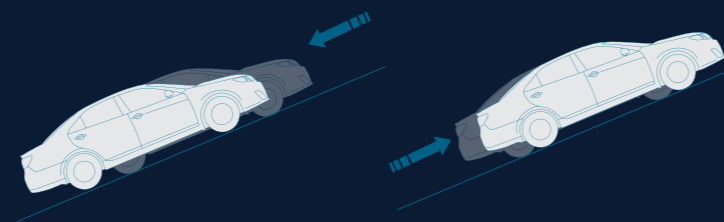

ADVANCED IS INTELLIGENT SAFETY FEATURES. **THOUGHTFUL IS A SAFER DRIVE.**

4 Airbags: These provide maximum security and protection in case of a collision, ensuring that you remain completely safe and untouched.

Hill-start Assist Control: This prevents backward rolling or slippage when starting on a steep incline, ensuring that you move ahead at a steady speed.

Without Hill-start Assist Control With Hill-start Assist Control

Vehicle Stability Control: This applies an active braking force independently to the 4 wheels depending on the state of the vehicle body and wheel skidding, ensuring stability during turning.

Impact Absorbing Vehicle Body: The body is constructed in such a way that it disperses collision energy through many frame components for effective energy absorption, thus controlling cabin deformation and ensuring safety in cabin space.

Back Monitor with Corner Sensors: This displays a clear view of the rear using a rear camera and is equipped with sensors that notify the driver of any obstacles coming in the way of the corner bumpers.

A COMBINATION OF A PETROL ENGINE AND AN ELECTRIC MOTOR.

Hybrid literally means "fusion" and these cars are rightly named so because they run using a combination of two power sources. These include a powerful petrol engine and an electric motor. Together, they deliver an impressive performance and at the same time give

exceptionally high mileage. This is the reason that Toyota Hybrid cars have been running smoothly on the road for more than 15 years and over 5 million of these have been sold till date.

Starting/Driving at a constant speed in low and mid-speed ranges

The car only uses the motor. Electricity from the battery drives the motor which reaches full power instantly.

Normal driving

Monitors driving conditions, intelligently controls the engine and motor output for optimum fuel efficiency.

High acceleration

In addition to normal driving, the battery supplies electricity to drive the motor, enhancing driving power.

Decelerating and braking

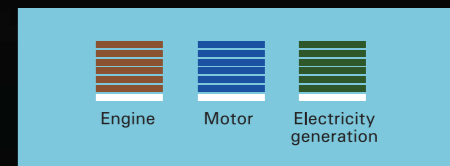

The motor is activated as a generator to convert the moving vehicle's kinetic energy into electricity and charge the battery (Regenerative Braking).

Stopped

The engine automatically cuts out, helping to reduce unnecessary fuel consumption and CO₂ emissions associated with idling.

Hybrid Synergy Drive intelligently senses when to switch between the two power sources.

ADVANCED IS A STYLE
THAT HARDLY GOES UNNOTICED.
**THOUGHTFUL IS EMISSIONS
THAT HARDLY COUNT.**

SPECIFICATIONS AND FEATURES

DIMENSIONS & WEIGHT

Overall L x W x H	4825 mm x 1825 mm x 1480 mm
Wheelbase	2775 mm
Tread Front / Rear	1580 mm / 1570 mm
Min. Ground Clearance	160 mm
Min. Turning Radius	5.5 m
Seating Capacity	5-Seater
Max. Kerb Weight	1625 Kg
Gross Weight	2100 Kg
Fuel Tank Capacity	65 litres

ENGINE

Type	2AR-FXE, 4 cylinders, In-line, Gasoline
Valve Train	16-Valve DOHC, chain drive with VVT-I (intake)
Displacement	2494 cm ³ (cc)
Bore x Stroke	90 mm x 98 mm
Fuel System	Electronic Fuel Injection (EFI)
Max. Output	118 kW @ 5700 rpm (160 PS)
Max. Torque	213 Nm @ 4500 rpm (21.7 kg-m)

MOTOR GENERATOR

Type	Permanent Magnet Synchronous Motor
Max. Voltage	650 V
Max. Output	105 kW (143 PS)
Max. Torque	270 Nm (27.5 kg-m)

HYBRID SYSTEM

Total Max. Output	151 kW (205 PS)
Drive Mode	ECO & EV

HYBRID BATTERY

Type	Nickel-Metal Hydride
Voltage (Nominal)	244.8 V
Modules	34 modules, 204 cells
Capacity	6.5 Amp. hr.

CHASSIS & TRANSMISSION

Suspension Front / Rear	MacPherson Strut with Stabilizer Bar / Dual Link with Stabilizer Bar
Brake Type	Hydraulic with Electronic Control & Regenerative Braking

Brake Front / Rear	Ventilated Disc / Solid Disc
Tyres	215 / 55 R17 (Tubeless)
Transmission	E-CVT (Electronically-Controlled Continuously Variable Transmission)

EXTERIOR FEATURES

Hybrid Exclusive Chrome Radiator Grille & Emblems
Automatic LED Headlamps with Auto Leveling
10-Spoke Alloy Wheels
Outside Rear View Mirror with Reverse Link, Memory, Electric Adjust, Auto Retract, Hydrocolloid, Wide View & Side Turn Indicator
Rear Fog Lamp
Rear Combination Lamp with LED Brake Lights

INTERIOR FEATURES

Hybrid Exclusive Optitron Combimeter
Leather trim on Cowl & Dashboard with real stitching
Multi Information Display
2DIN Touch-screen DVD Display Audio with AM/FM, CD, MP3, USB, Aux-in, Bluetooth and Car Information System
In-built Mic & Amplifier
Centre Console Box with Sliding Leather Armrest
Front Overhead Storage Console
Front & Rear Personal Lamps (LED + Door Linked)
Illuminated & Lockable Glove Box
Electro Chromic Anti-glare Inner Rear View Mirror
Cup holders (Front 2 | Rear 2)
Shift Lock System
12V DC Power Outlet at Front & Rear Armrest
Digital Clock

SEAT & INTERIOR TRIM

Leather Seats
Rear Seats with Power Recline
Front Seats with Ventilation System
8-way Power Adjust Driver Seat with Lumbar Support & Memory
8-way Power Adjust Passenger Seat (With Easy Access Function on P. Seat Shoulder)
2-way Headrest Adjust (All 5 Seats)
4-spoke Leather, Silver & Wood-finish Steering Wheel
Collapsible Headrest on Front Passenger Seat
Leather & Wood-finish Gear Knob

COMFORT & CONVENIENCE

Triple-Zone Automatic Climate Control
Rear Armrest with Multifunction Controls (Seat Recline, A/C, Audio & Sunshade)
Power Sunshade for Rear Windshield & Manual Sunshade for Rear Door Windows
Smart Entry System with Start/Stop Button
Memory Settings for Driver Seat, ORVM & Steering
Assist Grips behind Front Seats for Rear Passengers
Auto Power Windows for all seats
Power Adjust - Tilt / Telescopic Steering
Interior Illumination Package / Entry System (Fade-out Smart Room Lamp + Door Inside Handles + 4 Footwell Lamps)
Cross-button shaped Audio, MID and Telephone Control Switches on Steering Wheel
Remote Boot Release
Rain Sensing Wipers
Front & Rear Door Courtesy Lamps
Shift Position Indicator

SAFETY & SECURITY

Driver, Front Passenger & Front Seat side SRS Airbags (D + P + 2 Side)
- ABS (Anti-lock Brake System) with EBD (Electronic Brake Force Distribution), Brake Assist
- VSC (Vehicle Stability Control)
- TRC (Traction Control)
- Hill-start Assist Control
Back Monitor & Corner Sensors with Illustration Display
Impact Sensing Fuel Cut-off
Speed Sensing Auto-lock
Front 3-point ELR Seatbelt with Pre-tensioner & Force-limiter
Front Driver & Passenger Seatbelt Warning with Buzzer
Smart Key Remind Warning
Immobiliser + Alarm

Hybrid Exclusive Colour

Grey Metallic

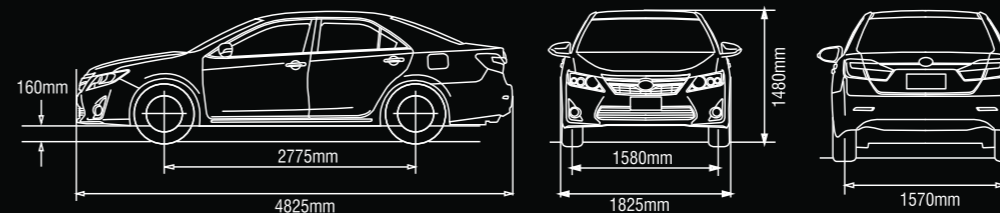

White Pearl Crystal Shine

Silver Metallic

Attitude Black

ACCESSORIES

Side Visor with Chrome: This allows you to keep the windows slightly open for air even on a rainy day.

Tail Lamp Chrome Garnish: With its stylish design, it gives a distinct look to the rear.

Rear Reflector with Chrome: Sleek yet refined, it accentuates the look of the rear.

Head Up Display: This makes driving a highly pleasurable experience.

Luxurious Floor Mats (Fabric): These keep the car interiors dirt and dust free.
